

Grounds of Faith Café **“Genesis” (Subtitled: Is there a snake in your Garden too?) Further subtitled: Lessons from the Garden!** Generation X to Z seeking Connection: (D 104-105): An interactive Scriptural study that explores God’s Redemptive action from the beginning of time in a casual café style setting. We will pray, read scripture, and jointly explore provided studies in groups of four or five. Learn about God’s design for His Creation, His intent for man’s participation, Satan’s deception, man’s disruptive actions and God’s plan to redeem it all. You will find strengthened connections and new Christian friendships in the *Grounds of Faith Café* as we study God’s good news for us. Please bring a Bible, a welcoming heart, an open mind, and a receptive spirit.

Facilitators: Lee Smith and others

Welcome to Grounds of Faith Café! This portion of the website invites you to share in Bible lessons drawn from the book of Genesis as virtual participants. The class meets on Sunday mornings from 9:30 – 10:30 am in the rooms listed above.

The format encourages relational fellowship, prayer on behalf of those at your table, reading & study of specific Scriptural texts (see lessons for texts and summary comments) – all with the intent of helping us to “see” God as He reveals Himself through His Word, and “see” ourselves within that revealed relationship.

We meet in groups of four at individual tables so all aspects of the class can be experienced, and we serve refreshments.

The class invites you to join on-line, or if you can, to meet us in person on Sunday mornings.

If you desire more information, please call the Montgomery church office at 884-7926 or Lee Smith at 345-1954.

May God bless you even more abundantly as you engage Him directly in His Word!
