Turn it UP!!

by Lance Logan

Some have said that the only permanent cure for love is marriage. Marriage can be like **a tub of hot water. It doesn't seem so hot after being in it for a while.**

Being married or living as a family has caused many homes to shrink in size. When the tension rises between people a big home can seem smaller than a skin tight T-shirt on my over weight brother-in-law.

The tension can grow and the feeling of the walls closing in on your relationship can increase until you just can't take it any longer. Then the gloves come off and it becomes a no holds barred, knock down drag out cage match.

Groucho Marks once said, "I was married by

a judge, and I should of asked for a jury." It may take a judge and a jury to help a couple pursue holiness instead of personal happiness.

Starting this January on Wednesday evenings Wyatt & Thu Fenno are going to bless everyone who comes to their **class on "The FIVE Love Languages."**

This class will not bypass the messiness of marriage. All of our families with marriages are invited to make time to attend this wonderful experience in Room D118.

This class will guarantee to make you laugh and draw you closer to your mate through God.

SACRED MARRIAGE

DEEPIING YOUR RELATIONSHIP WITH GOD

"Marriage is the greatest test in the world...but now I welcome the test instead of dreading it. It is much more than a test of sweetness of temper, as people sometimes think; it is a test of the whole character and affects every action." T.S. Eliot

3 Thoughts to Eliminate From Your Thinking

1. "No one cares for you" - Self pity! Many do!
2. "You won't succeed" - Philippians 4:13
