## Become a Student of Influence:

To become a student of influence that leads others to Christ, you must put your spiritual welfare before others. A time will come when you will find yourself being drawn into things you have not business getting involved in. When that happens you will need to make your own spiritual growth a priority over others. You may need to make the decision to back off the relationship or end it all together. Your relationship with Christ must be more important than any other relationship.

**If you don't stand for something, you will fall for anything.**

## BEING A PERFECT MINISTRY DOESN'T MATTER. BEING A PRAYING MINISTRY DOES.

"...that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless until the day of Christ..." Philippians 1:9-10

## Grow in the Fear of the Lord: Answering God

by Lance Logan

How many times have you ignored a call because you **hadn't want to talk to the person calling?** A name pops up on your display screen, and you ignore the call. **Then say to yourself, "I'll call them back later."**

**The Lord asked Satan, "Have you considered my servant Job?" Job is a great example of one who feared the Lord.**

If you want to know if you fear God, note your reaction when good things are taken from you.

How do you react to losing money, someone close to you dying, or someone breaking up with you?

When something bad happens, do you obsess on the bad **thing that is happening?** Job didn't. **After losing everything, he said, "The Lord gave and the Lord has taken away; may the name of the Lord be praised" (Job 1:21).**

Then after Satan attacked his body and he was suffering from constant and **intense pain, he said, "Shall we accept good from God and not trouble?" (Job 2:10). He would later say, "The fear of the Lord-that is**

**wisdom, and to shun evil is understanding" (Job 28:28).**

Do you fear people? Are you suffering? Are you anxious? Depressed? Struggling with anger? Hard hearted? **Listen to the questions God asked Job. "Have you ever given orders to the morning?" (38:12). "Have you seen the gates of the shadow of death? Have you comprehended the vast expanses of the earth? (38:17-18). "Do you send the lightning bolts on their way? Do they report to you, "Here we are?" (38:35).**

**God's questions in this passage create a perspective and a prize to the one who fears God above all else. Job's response to God is that he is "too wonderful for me to know." Job responded with even further humility and fear of God when he said, "I despise myself and repent in dust and ashes" (42:6).**

Do you remember times in your life when you said, **"God is God and I will submit to his will"?** It is at those times that other people have no power to manipulate, pressure or control us.

We may be able to ignore phone calls, however we will be greatly blessed to answer life struggles with a fear of God instead of a fear of man.
