## KEY ELEMENTS

**Unity**—Eating, playing, worshipping & traveling together will encourage dependency of the individual on the group.

**Serving**—Real opportunities to practice servant-hood and do something to be more like Jesus. Instead of talking about serving, you'll do it!

**Application of Biblical Principals**—The spiritual experience of devotionals is a high priority aimed at drawing you closer to God.

**Leadership**—Teens will actually be in charge of different elements that develop real servant-leadership skills.

**Relationship Development**—time where you are allowed to do what you would like, and will allow you to see others in an environment different than at home.

**God's Creation**—God's beauty surrounds the Ski Trip. We, will become aware of our seemingly small significance in a much larger picture of God's creation.

**Affirming**—will be facilitated through development of relationships and abilities. Each member will have many opportunities to be accepted and supported.

**Personal Achievement**—You will be able to experience the satisfaction of setting spiritual and physical goals for yourself and accomplishing them!
